Subject: KVK and Arthur Kill questions

Good morning, my name is Ray Basso, I work for the USEPA and manage the Passaic River and Newark Bay investigations and clean ups. Judith Enck has asked me to follow up with you regarding your recent e-mail to her about extending the Newark Bay Superfund designation into the KVK and AK. I would happy to discuss our current thoughts on this issue with you. I can be reached at 212 637 4417. Look forward to speaking with you.
